# 40.day 2018

Solemn Assemblies

- July 1 to August 7: Solemn Assemblies
- August 8: Day of His Power (Singapore Indoor Stadium)

# 40.day 2018

*Consecrate a fast; call a solemn assembly. Gather the elders and all the inhabitants of the land to the house of the Lord your God, and cry out to the Lord.* JOEL 1:14

Together, we will seek the Lord with one heart, one soul, one mind, one purpose:

- Return to God in repentance for personal, corporate, and national sins.
- Consecrate ourselves to seek first the Kingdom of God and his righteousness.
- Cry out to God for salvation among the 80% unsaved in our land.
- Set apart this generation, the next generation, and every generation to fulfill Singapore's destiny as the Antioch of Asia.

## THEME

### SEEK THE WELFARE OF THE CITY

Seek the welfare of the city... and PRAY TO THE LORD ON ITS BEHALF, for in its welfare you will find your welfare... For I know the plans I have for you, declares the Lord, plans for welfare and not for evil, to give you a future and a hope. Then you will CALL UPON ME and COME AND PRAY to me, and I will hear you. You will SEEK ME and find me, when you SEEK ME WITH ALL YOUR HEART. I will be found by you, declares the Lord... JEREMIAH 29: 7, 11-14

Nations rise and nations fall. Studies reveal that nations decline primarily because of a *weakening sense of duty and an increase in selfishness and the desire for wealth and ease* (LIM SIONG GUAN and JOANNE H. LIM). Singapore is not exempt.

True, Singapore is a miracle nation admired around the world. Yet, beneath that gleaming facade, there are signs of decline that threaten to undo her.

We see a weakening sense of duty to stay faithful in marriage, to procreate, and to parent our children. We see the rise of secularism and youth shunning religion. We see a society fragmented along class divides.

We are not in the pink of health. We are a nation at war with diabetes and depression. As one of the fastest ageing societies in Asia, eldercare will escalate. Dementia could become a national crisis sooner than expected.

We see a lack of rootedness and emotional bonding to Singapore. ESM Goh Chok Tong has warned that Singapore will decline when her people cease to value her, and begin to treat her as a stepping stone, a temporary station in life to get an excellent education, grow wings, and fly off to sink roots somewhere else to seek their own fame, fortune, and future.

We love Singapore.

We cannot be complacent. We cannot brush these issues aside and conveniently leave them for future generations to tackle. That would be totally irresponsible. God expects us to do the right thing on our watch: Humble ourselves. Repent. Seek his face. Seek the shalom of the city.

God loves Singapore.

When we seek him wholeheartedly, he promises to show up. He will show the way, turning Singapore Godwards!
